

Privacy Policy

This is the privacy policy of Ascot Business Solutions Ltd (referred to herein as "Ascot") and ScannerSuperstore.co.uk (referred to herein as "Scanner Superstore").

Ascot/Scanner Superstore provides links to third party sites. When visitors link from ascot-solutions.co.uk or scannersuperstore.co.uk to another web site, the privacy policy of the other web site applies and will be tailored to that web site. Since Ascot does not control those web sites, we encourage visitors to review the privacy policies.

This Privacy Policy of Ascot and Scanner Superstore is subject to change. If changes occur, they will be posted on ascot-solutions.co.uk and scannersuperstore.co.uk.

You can contact us with any privacy concerns at:

Ascot has web presence on ascot-solutions.co.uk and scannersuperstore.co.uk. Ascot is aware of its obligations under the UK Data Protection Act and European Union General Data Protection Regulation (GDPR) and is taking active and ongoing steps to address any legal requirements.

How we use Cookies

Cookies are very small text files that are stored on your computer when you visit some websites.

We use cookies to help identify the pages visited on our website so that we can improve our website.

You can disable any cookies already stored on your computer, but these may stop our website from functioning properly.

The following are not strictly necessary but are required to provide you with the best user experience and also to tell us which pages you find most interesting (anonymously).

This Website Will:

Track the pages you visit via Google Analytics.

Record if you have closed our cookie policy message displayed on each page.

This Website Uses:

Twitter feed to show our latest feeds and third-party cookies will be created by Twitter.

This website will not:

Share any personal information with any undisclosed third parties.

What data do we collect?

Ascot and Scanner Superstore collects personal data such as full names, full addresses, email addresses and telephone numbers for all orders of products and services. We are required to collect some of this data

(full names and full addresses) for taxation purposes, we are also required to collect and process this data in order to complete a sale.
